Metro-Detroit, MI | Full Time with Benefits

Cauzillo Plumbing is seeking a motivated and hard-working new team member to join our family business. This position performs both residential and commercial plumbing work throughout Metro-Detroit.

What you'll Do:

Commercial and residential plumbing, working independently and in collaboration with the Master Plumbers. Job functions include, but are not limited to:

- Diagnose, troubleshoot, replace, and repair a wide variety of residential plumbing issues.
- Perform residential and commercial plumbing repairs and installations.
- Complete sewer, drain, water heater, fixture, leak, and water line repairs and installations.
- Perform plumbing system inspections and preventative maintenance.
- Work independently while collaborating with Master Plumbers and supervisors as needed.
- Present repair and replacement options to homeowners.
- Provide exceptional customer service and maintain a professional demeanor on every job.
- Ensure all work complies with applicable Michigan plumbing codes.
- Maintain accurate job documentation and complete required paperwork.
- Maintain company vehicles, tools, equipment, and parts inventory.
- Follow company procedures and safety standards.
- Perform other duties as assigned by Master Plumbers or supervisors, including shop maintenance and duties.

What You Have:

- Minimum of five (5) years of hands-on experience troubleshooting and repairing residential plumbing systems; OR comparable experience in construction, commercial applicabilities, or adjacent trade.
- Current plumber apprenticeship registration or Journeyman Plumber License
- Valid driver's license, clean driving record, and ability to pass a standard background check and drug screen.
- Knowledge of applicable Michigan plumbing codes.

- Ability to independently diagnose and repair plumbing systems.
- Ability to work a full-time schedule (40 hours per week).

What we're looking for:

- Family business mentality and attitude – a strong team player with a solid work ethic.
- Dedication to upholding Cauzillo Plumbing's standards and values in every customer interaction.
- Commitment to delivering outstanding customer service; commitment to maintaining a clean, organized, and professional appearance.
- Ability to communicate effectively with homeowners and team members.
- A culture fit: hungry, humble, responsible, hard-working; professional, dependable, and solutions-oriented.
- Willingness to participate in training and continue education, developing professionally.
- Willingness to work on occasional weekends.

Why work for Cauzillo plumbing:

Join a fourth-generation family-owned and operated plumbing company. With more than 100 years of cumulative Master-level plumbing experience, Cauzillo Plumbing offers you the opportunity to work on a high volume of residential and commercial service calls while building lasting relationships with regular customers and the team.

You'll work alongside experienced professionals in a supportive, collaborative, family-oriented environment where your skills will continue to grow. We take pride in solving problems that make a real difference for the people we serve, and we hope that the right team member will be excited to join that small, personal, hard-working family culture. Hands-on learning in a wide variety of work experiences are a staple of this job. Cauzillo Plumbing is looking to offer significant and meaningful career development for the right candidate.

Work Environment and Schedule:

- Field-based position. Primarily working at residential and commercial customer locations.
- Frequent travel throughout Metro Detroit, primarily Wayne County, with occasional work in Oakland and Macomb counties.
- Full-time (40 hours per week).
- Flexible hours – early or late. Typically 8-10 hour shifts.
- Physically able to lift heavy objects

Benefits:

- Employer-sponsored retirement plan options
- Comprehensive medical insurance
- Paid time off
- Career growth opportunities

How to Apply:
